

# 01 Face

## Murad skin care

Developed by Dr.Howard Murad combining the best pharmaceutical grade ingredients with the latest skincare technology. These dermatological treatments guarantee to improve the appearance of the skin. Each treatment has a combination of anti-oxidant, anti-inflammatory and hydrating ingredients to give visible results and radiant, younger looking skin.

## Anti-ageing treatments

<b>Vitamin C infusion facial</b>	<b>60 minutes</b>	<b>£55.00</b>
This revitalising treatment reverses the signs of ageing caused by environmental exposure. Achieve maximum skin clarity by improving texture, elasticity, firmness, hydration and reversing hyper-pigmentation.		

<b>AHA Exfoliator facial</b>	<b>60 minutes</b>	<b>£55.00</b>
Specifically formulated to reduce the visible signs of ageing this unique treatment will reduce the appearance of fine lines and wrinkles and reveal a more vibrant, smoother, younger-looking skin.		

<b>Resurgence renewal facial</b>	<b>75 minutes</b>	<b>£65.00</b>
Uniquely developed to counteract the effects of hormonal ageing, this revolutionary treatment intensively hydrates the skin to plump out wrinkles while lifting and firming ageing skin.		

<b>Intensive wrinkle reducer rapid peel</b>	<b>75 minutes</b>	<b>£65.00</b>
Combines a peel with an anti-ageing treatment. This next generation professional peel features 7 high-performance ingredients and has been created by Dr.Murad to be a fast, non-surgical path to youthful smoothness. This fantastic treatment is the next step up from regular Murad glycolic treatments.		

## Problem solving treatments

<b>Redness therapy facial</b>	<b>60 minutes</b>	<b>£55.00</b>
Developed for skin redness and sensitivity including Rosacea and broken capillaries this unique treatment gently soothes and calms, strengthens the skin's barrier function whilst providing instant hydration and reducing inflammation.		

<b>Blemish control facial</b>	<b>60 minutes</b>	<b>£55.00</b>
For skin prone to blemishes, congestion and oiliness this treatment is the perfect solution to restore and rebalance skin clarity and reduce blemishes.		

<b>Murad express AHA exfoliator facial</b>	<b>30 minutes</b>	<b>£30.00</b>
This introductory facial will give an instant glow and reveal a more vibrant, smoother, younger-looking skin.		

<b>Murad prescriptive facial</b>	<b>30 minutes</b>	<b>£28.00</b>
This treatment is a perfect introduction for young teenage skincare.		

## Reveal skin scanner

This revolutionary new system takes skin consultations to a new level. We can identify skin conditions not visible to the naked eye and view surface & sub-surface skin issues like redness or inflammation and UV sun damage.

<b>Reveal Imager session</b>	<b>25 minutes</b>	<b>£20.00</b>
The value of the reveal session can be redeemed against any purchase of 2 or more Murad products purchased on the day of the treatment.
